The Contractor's procurement system should include at least the following:

 - 3) Justification for lack of competitive bids if offers are not obtained.
 - h. A system for Agreement administration to ensure Contractor conformance with terms, conditions and specifications of this Agreement, and to ensure adequate and timely follow-up of all purchases.
4. Contractor and Subcontractor must receive prior approval from COMMERCE for using funds from this Agreement to enter into a sole source Agreement or an Agreement where only one bid or proposal is received when value of this Agreement is expected to exceed \$5,000.
- Prior approval requests shall include a copy of proposed contracts and any related procurement documents and justification for non-competitive procurement, if applicable.

18. RECAPTURE

In the event that the Contractor fails to perform this Agreement in accordance with state laws, federal laws, and/or the provisions of this Agreement, COMMERCE reserves the right to recapture funds in an amount to compensate COMMERCE for the noncompliance in addition to any other remedies available at law or in equity.

19. RECORDS MAINTENANCE

The Contractor shall maintain all books, records, documents, data and other evidence relating to this Agreement and performance of the services described herein, including but not limited to accounting procedures and practices which sufficiently and properly reflect all direct and indirect costs of any nature expended in the performance of this Agreement. Contractor shall retain such records for a period of six years following the date of final payment.

If any litigation, claim or audit is started before the expiration of the six (6) year period, the records shall be retained until all litigation, claims, or audit findings involving the records have been finally resolved.

20. SAVINGS

In the event funding from state, federal, or other sources is withdrawn, reduced, or limited in any way after the effective date of this Agreement and prior to normal completion, COMMERCE may terminate the Agreement under the "Termination for Convenience" clause, without the ten calendar day notice requirement. In lieu of termination, the Agreement may be amended to reflect the new funding limitations and conditions.

21. SEVERABILITY

If any provision of this Agreement or any provision of any document incorporated by reference shall be held invalid, such invalidity shall not affect the other provisions of this Agreement that can be given effect without the invalid provision, if such remainder conforms to the requirements of law and the fundamental purpose of this Agreement and to this end the provisions of this Agreement are declared to be severable.

22. SUBCONTRACTING

The Contractor may only subcontract work contemplated under this Contract if it obtains the prior written approval of COMMERCE.

If COMMERCE approves subcontracting, the Contractor shall maintain written procedures related to subcontracting, as well as copies of all subcontracts and records related to subcontracts. For cause, COMMERCE in writing may: (a) require the Contractor to amend its subcontracting procedures as they relate to this Contract; (b) prohibit the Contractor from subcontracting with a particular person or entity; or (c) require the Contractor to rescind or amend a subcontract.

Every subcontract shall bind the Subcontractor to follow all applicable terms of this Contract. The Contractor is responsible to COMMERCE if the Subcontractor fails to comply with any applicable term or condition of this Contract. The Contractor shall appropriately monitor the activities of the Subcontractor to assure fiscal conditions of this Contract. In no event shall the existence of a subcontract operate to release or reduce the liability of the Contractor to COMMERCE for any breach in the performance of the Contractor's duties.

Every subcontract shall include a term that COMMERCE and the State of Washington are not liable for claims or damages arising from a Subcontractor's performance of the subcontract.

23. SURVIVAL

The terms, conditions, and warranties contained in this Agreement that by their sense and context are intended to survive the completion of the performance, cancellation or termination of this Agreement shall so survive.

24. TERMINATION FOR CAUSE / SUSPENSION

In event COMMERCE determines that the Contractor failed to comply with any term or condition of this Agreement, COMMERCE may terminate the Agreement in whole or in part upon written notice to the Contractor. Such termination shall be deemed "for cause." Termination shall take effect on the date specified in the notice.

In the alternative, COMMERCE upon written notice may allow the Contractor a specific period of time in which to correct the non-compliance. During the corrective-action time period, COMMERCE may suspend further payment to the Contractor in whole or in part, or may restrict the Contractor's right to perform duties under this Agreement. Failure by the Contractor to take timely corrective action shall allow COMMERCE to terminate the Agreement upon written notice to the Contractor.

"Termination for Cause" shall be deemed a "Termination for Convenience" when COMMERCE determines that the Contractor did not fail to comply with the terms of the Agreement or when COMMERCE determines the failure was not caused by the Contractor's actions or negligence.

If the Agreement is terminated for cause, the Contractor shall be liable for damages as authorized by law, including, but not limited to, any cost difference between the original Agreement and the replacement Agreement, as well as all costs associated with entering into the replacement Agreement (i.e., competitive bidding, mailing, advertising, and staff time).

25. TERMINATION FOR CONVENIENCE

Except as otherwise provided in this Agreement, COMMERCE may, by ten (10) business days written notice, beginning on the second day after the mailing, terminate this Agreement, in whole or in part. If this Agreement is so terminated, COMMERCE shall be liable only for payment required under the terms of this Agreement for services rendered or goods delivered prior to the effective date of termination.

- B. Place no further orders or subcontracts for materials, services, or facilities related to the Agreement;
- C. Assign to COMMERCE all of the rights, title, and interest of the Contractor under the orders and subcontracts so terminated, in which case COMMERCE has the right, at its discretion, to settle or pay any or all claims arising out of the termination of such orders and subcontracts. Any attempt by the Contractor to settle such claims must have the prior written approval of COMMERCE, and
- D. Preserve and transfer any materials, Agreement deliverables and/or COMMERCE property in the Contractor's possession as directed by COMMERCE.

Upon termination of the Agreement, COMMERCE shall pay the Contractor for any service provided by the Contractor under the Agreement prior to the date of termination. COMMERCE may withhold any amount due as COMMERCE reasonably determines is necessary to protect COMMERCE against potential loss or liability resulting from the termination. COMMERCE shall pay any withheld amount to the Contractor if COMMERCE later determines that loss or liability will not occur.

The rights and remedies of COMMERCE under this section are in addition to any other rights and remedies provided under this Agreement or otherwise provided under law.

27. WAIVER

Waiver of any default or breach shall not be deemed to be a waiver of any subsequent default or breach. Any waiver shall not be construed to be a modification of the terms of this Agreement unless stated to be such in writing and signed by Authorized Representative of COMMERCE.
